Isaac Papier/UL - has provided me the following information that you may want to save...

The process described at the ISC meeting involved the establishment of a new UL Category Control Number known is CCN for products Certified to be in compliance with SIA CP-01. The new CCN is **AMTB**.

The process involved accessing the UL web site at

WWW.ul.com

go to UL clients

go to UL Online Certificates directory and search by CCN **AMTB**.
